

Advocacy Update  
December 5, 2008

A Message from the Executive Director, Kathleen Brooker

Historic Seattle is announcing the reorganization of its advocacy initiatives and direction in 2009. The position of Preservation Advocate will be replaced by a Deputy Director who will oversee an array of preservation services, including advocacy and technical support of preservation initiatives. As part of this reorganization, the Advocacy Update will be streamlined and focus on time sensitive issues and threats. I welcome your feedback and suggestions on the Update and may be reached at [kathleenb@historicseattle.org](mailto:kathleenb@historicseattle.org). Please visit our website [www.historicseattle.org](http://www.historicseattle.org) in the interim for news of our activities, projects and issues.

I would like to take this opportunity as well to thank Christine Palmer, our outgoing staffer, for her efforts to engage and inform the community on preservation matters. We wish her well and know she will continue to be a voice in Seattle preservation.

On behalf of Historic Seattle, we wish all of you the very best over the holidays and in the coming year. With your support we will continue to creatively make the case for preservation in Seattle.
